Multimedia Presentation “CHINA DRIFTINGS” by Catherine Gfeller

Tuesday, 26 October 2021, 16:30-19:15

Auditorium at Swiss Re Next, Mythenquai 50, 8002 Zurich

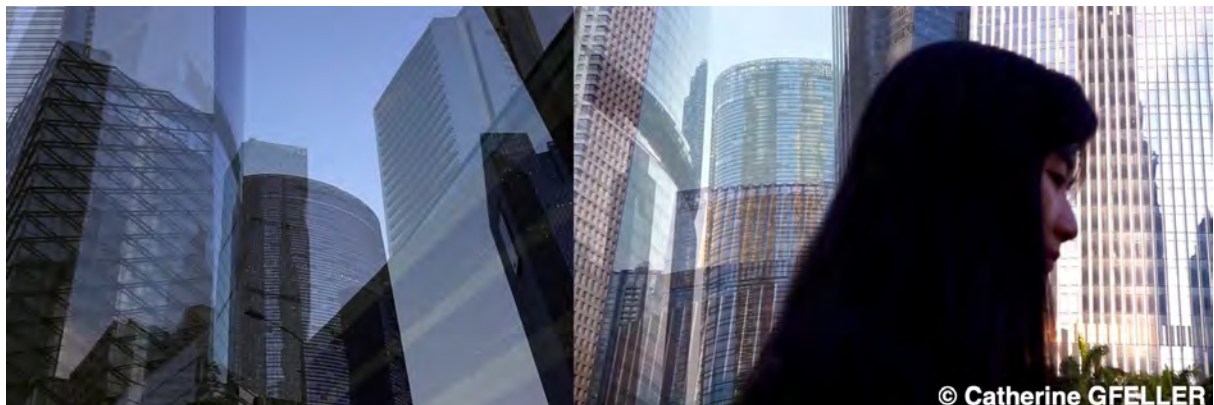

Language: English

Ms. Gfeller is a member of our Swiss-Chinese Association – French Speaking Region.

In 2016, she began a project on the role of women in Chinese megacities, which resulted in a large exhibition at the National Guangdong Museum of Art in 2018 in Guangzhou. The success of this show with a broad segment of the public encouraged her to pursue her project in other Chinese megacities: Beijing, Chengdu, Shanghai and Hong Kong. Representatives of the Swiss Embassy in China entrusted her with the task of revealing and interpreting novel aspects of a China presently undergoing tremendous change from the standpoint of an artist.

On 26 October 2021, Ms. Gfeller will present a selection of her artwork within and beyond the project “CHINA DRIFTINGS”.
